# MIX&STYLE

I progetti ARIANA si sviluppano all'interno di una gamma di formati modulari rettificati mono-calibro, che permette di combinare fra loro diverse collezioni. A questo si aggiunge la sensibilità stilistica di Ariana, che ha selezionato nuances e colorazioni con cui costruire accostamenti di materie sempre nuovi e interessanti.

The ARIANA ceramic projects are part of a range of single-calibre rectified modular sizes that allow for coordinated use of different collections. Ariana has also exploited its stylistic sensibility to select the ideal colours and shades for these interesting new combinations of materials.
